Daily stock price and volume data at Bombay Stock Exchange

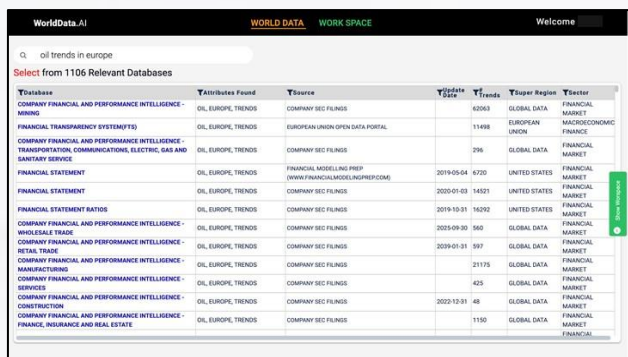

How To Use

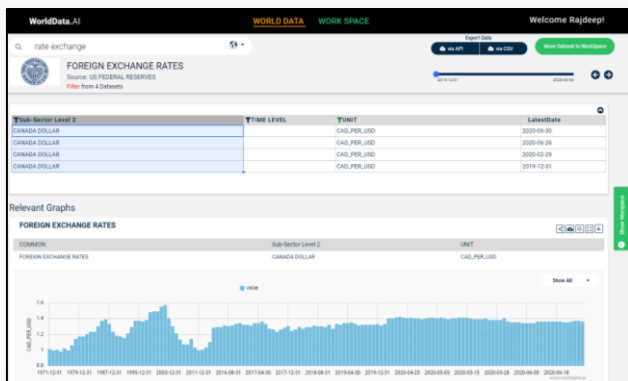

1. Sign Up FREE, verify email, and Log In

2. Search “keywords” and WorldData.AI will recommend top databases, and sources from collection of over 5,000 databases

3. Select the most relevant database

4. Filter the database for specific attributes, download data through CSV, API; Bulk Downloads directly sent to email

Unlimited use and downloads FREE, if you sign up with university email

For Specific Data, Make a Premium Data Request

Unable to find the data you need?

Fill up the Data Request Form on <https://worlddata.ai/> and our team will find relevant curated data for your project.

Fill up the Data Request Form for specific data needs

Our team can provide you with curated data from any public source

Submit Data Request

There maybe additional costs with Premium Data Requests

Empowering Researchers

- ▶ Spend your time on analyzing data and research, while we take care of finding and curating the right data for you
- ▶ Pre-curated data
- ▶ One click bulk downloads, APIs, CSVs
- ▶ Adding millions of trend everyday
